McMICHAEL GALLERY TOUR

The Group of Seven

One of the largest galleries in Ontario, the scenic McMichael Gallery just north of Toronto hosts the paintings of the Group of Seven; on the top floor they also have native Indian and Inuit art. The charming village of Kleinburg with several tiny restaurants is a few minutes away. If you have a late afternoon or evening flight to catch, this is the perfect trip for you. I will pick you up in the morning with your luggage; we do the McMichael gallery, then lunch if time permits, and then off to the airport. So much nicer than just sitting in your hotel doing nothing.

\$150 for a person. Includes entrance to the Gallery, transportation, parking, and taking you to the airport or anywhere you wish to go afterwards.

Does not include lunch at the gallery.
