NIAGARA REGION

Niagara Falls is two hours south of Toronto. The Hornblower boat ride is a must; you have not 'done' Niagara until you have been on it. Afterwards we follow the Niagara River to Lake Ontario on the scenic route. We can ride the Spanish aerocar above the world's largest natural whirlpool, visit the tropical Butterfly Conservatory and the botanical garden grounds. Arrive to the prettiest town in southern Ontario, Niagara-on-the-Lake where we will stroll, and taste some price winning ice-wines.

\$450* for two persons, ***\$75*** surcharge for third. Includes transportation, all parking, Hornblower, Spanish aerocar, Butterfly Conservatory, and ice wine tasting.

*Does not include helicopter ride or the horse-drawn carriage in the botanical gardens.
